For courses with an entrance exam in September, students will be offered a conditional place in the rankings, dependent on the result of the exam. The rankings will be drawn up by a commission as per the deliberation of Rector.

Tuition fee waivers are not compatible with:

- study grants issued under an Erasmus Mundus Joint Master Degree;
- study grants issued by the Ministry of Foreign Affairs and International Cooperation (MAECI);
- any kind of scholarship/grant from the University of Pavia

The waivers cannot be awarded to students registering for multiple or joint programs, for which tuition fees have to be paid to a partner university other than the University of Pavia.

ART. 4 – Application submission: terms and procedures

The application for the tuition fee waiver can be submitted **exclusively on the online platform apply.unipv.eu** according to the following deadlines:

Call 1: up to 1 March 2020

1. Sign up on the platform by creating their account. While signing up, insert the following code: **FW_UNIPV_20-21** in the “I have a reference code” section.
2. Complete the application for their chosen study program by filling out the profile with all of the required data, uploading the necessary documentation;
3. Officially submit the application by clicking on the “SUBMIT” button.

Candidates who have already submitted their application and wish to apply for a tuition fee waiver can also insert the reference code at this stage, provided that they do so no later than the set deadlines. Candidates must click on their name on the upper right of the page that appears in their personal area and then select the option “Have a reference code?”, where they will insert the code **FW_UNIPV_20_21**.

It is necessary to reopen the application, upload the form together with the other required documentation and resubmit the application (by clicking on the "SUBMIT" button).

Important! The application will only be deemed valid if the student completes the above procedure correctly.

All documents presented by applicants must be in English or Italian.

All documents in any language other than Italian or English must be supported by a translation into English or Italian on plain (non-letterhead) paper. The translation may be done directly by the candidate. The submission of the translated documents alone is not enough; they must always be accompanied by the original documents.

The fee waiver is effectively applied in the moment that a successful applicant completes the enrolment procedure by paying the regional tax for the right to education and the stamp duty (around € 156.00).

ART. 5 – Preparation and approval of the candidates' ranking

In the event of a tie, preference will be given to the younger applicant.

The rankings will be published on the University website (www.unipv.eu) within 15 days after the deadline.

Personal data submitted by the applicants will be used solely for application and selection procedures and institutional aims, and will be treated in accordance with the European General Data Protection Regulation no. 2016/679 art. 13.
