

# UNIVERSITÀ DEGLI STUDI DI PAVIA

DEPARTMENT OF BIOLOGY AND BIOTECHNOLOGY  
MASTER'S DEGREE COURSE IN MOLECULAR BIOLOGY AND GENETICS  
(Class LM-6)

STUDY PLAN COMPLIANT WITH THE RESOLUTION OF THE BOARD MEETING OF THE  
DEPARTMENT OF BIOLOGY AND BIOTECHNOLOGY "L. SPALLANZANI" - 27<sup>th</sup> June 2018  
Academic Year 2018/2019 (Ministerial Decree 270/2004)  
to fill in online when enrollment is complete between **12<sup>th</sup> November and 3<sup>rd</sup> December 2018**

**ENROLLED IN 1ST YEAR IN ACADEMIC YEAR 2018/19**

## I YEAR (59 C.F.U.)

| CODE   | TEACHING                               | CREDITS | SEMESTER | SSD<br>Scientific<br>disciplinary<br>sector | TAF<br>Type of teaching<br>activity |
|--------|--|---------|----------|---|-------------------------------------|
| 500802 | Methods in Biochemistry                | 9       | I        | BIO/10                                      | Distinctive                         |
| 500805 | Advanced Molecular Biology             | 6       | I        | BIO/11                                      | Distinctive                         |
| 500190 | Bioinformatics                         | 6       | I        | ING-INF/06                                  | Related/<br>supplementary           |
| 500806 | Structural Biology and<br>Pharmacology | 6       | II       | BIO/11                                      | Distinctive                         |
| 500810 | Microbial Genetics                     | 6       | II       | BIO/18                                      | Distinctive                         |
| 500811 | Human Molecular Genetics               | 6       | II       | BIO/18                                      | Distinctive                         |
| 500812 | Molecular Pharmacology                 | 6       | II       | BIO/14                                      | Distinctive                         |

|        |  |         |          |   |                                     |
|        |  |         |          |   |                                     |

Name and Surname..... matr. ....

Form delivery date ..... Signature.....

If you intend to make different choices from the ones foreseen, the study plan becomes individual; you therefore need to attach a revenue stamp of €16 and the plan will need to be approved by the Teaching Committee.

(Insert the new exam in the empty spaces where you want to change and mark to eliminate the substituted exam. Specify type of teaching activity and scientific disciplinary sector.)

APPROVED BY THE TEACHING COMMITTEE ON .....

WE DECLARE THAT THE INDIVIDUAL PLAN IS COMPLIANT WITH THE TEACHING REGULATIONS OF THE COURSE OF STUDY IN RELATION TO THE ENROLLMENT ACADEMIC YEAR OF THE STUDENT (SCHEDE RAD).

SIGNATURE OF THE PRESIDENT OF THE TEACHING COMMITTEE
