

Insurance Cover for University of Pavia Students during Erasmus mobilities

Every student registered with the University of Pavia benefits from the following **INSURANCE POLICIES**:

- Tutela INAIL – cover for accidents in the work place and other injuries/professional illnesses
- **Civil Liability** towards third parties
- **Personal accident** insurance

Limitations: Regarding the Civil Liability insurance policy: this excludes all damages caused by professional negligence and medical malpractice.

While, regarding the Personal Accident policy, the accident occurred while commuting to and from the university/workplace (*in itinere*) is not insured.

The insurance policies are applicable all over the world.

You are reminded that the insurance provided by the University of Pavia only covers the student for risks connected to direct and authorised teaching, studying or research activities connected with their mobility period.

You can consult the policy documents and check the cover they provide here: <http://www.unipv.eu/site/home/naviga-per/studenti/vivere-luniversita/articolo1430.html>

TUTELA INAIL

This cover **only** concerns activities involving laboratory work, general tools, physical, chemical or biological agents, including work with computers – limited to periods when the student is actually involved in using the mentioned instruments and laboratories.

In the case of an accident on the premises of the host enterprise in one of the instances described above, the student must:

1. Go to the Emergency Department of a local hospital
2. send **immediately** to the Servizio Relazioni Internazionali – Mobilità internazionale, by fax (+39 0382 984314) or by e-mail (erasmus@unipv.it or train.erasmus@unipv.it)
 - a medical certificate signed by the first aider outlining the prognosis
 - a brief description of the accident
 - a translation (also done by the student) in case of a certificate in a foreign language.

The Office will send the documents to the competent university offices that will eventually forward the claim to INAIL if appropriate (in cases of a prognosis of more than 3 days).

IMPORTANT:

The University of Pavia does not cover any Health policy as it is not mandatory by law.

Therefore, before leaving for a foreign country, if you are Italian:

- in the EU, you are advised to check the validity of the student's EHIC/TEAM card ("European Health Insurance Card," or also "Tessera Europea Assicurazione Malattia" in Italian) with the appropriate ASL
- For destinations other than EU, it is strongly advised that you consult the website of the Italian Ministry of Health (www.salute.gov.it) or, again, the competent ASL.

if you are a Non-EU citizen:

- you should provide for your own private health insurance before leaving your home country or, as a temporary resident in Pavia, enrol with the National Health Service at the Azienda Sanitaria Locale - ASL (Local Health Unit) <https://www.asl.pavia.it/>
