Offerte del 14 giugno 2013

On behalf of our client, a Startup Internet Company in Berlin, we are currently accepting resumes for the following professional opportunity:

PS1080A **FRONT END DEVELOPER (BERLIN)**

A young multinational team is looking for an enthusiastic and motivated Front End Developer who is passionate about design. The company offers design products and furnitures which are available to buy at their online store.

YOUR RESPONSIBILITIES

- Responsible for driving the project to the finish line
- Work closely with the Project Management team
- Develop and realize own projects
- Optimize and standardize the existing system □

YOUR PROFILE

- At least 3+ years of experience in HTML, CSS (2.0, 3.0), Javascript and jQuery
- Proven experience in any eCommerce tool
- Practical experience in PHP or Ruby on Rails are definitely a plus
- Experience in Confluence and Pivotal Tracker
- Enthusiastic and passionate about new and the existing technologies
- Good understanding of input from the designers and help design happen
- Motivated, confident and willingness to adapt to changing business goals
- Self-starter and creative thinking to solve problems
- Entrepreneurial mindset and desire to acquire knowledge in new technologies
- Proficient in English □

OUR OFFER

- Exceptional career opportunities
- A professional and entrepreneurial environment
- Dynamic and friendly working atmosphere in a successful international team
- Annual salary not disclosed
- Full time and long term contract
