DE LISBOA

The International Affairs and Innovation department of Belas Artes Universidade de Lisboa is offering an Erasmus placement/Leonardo da Vinci Grant for Creative coder.

Description of task:

- The department is responsible for projects related with international strategy, innovation measures and development of communication. We are looking for a person with social skills, capable of working in a team, and fluent in English.
- The intern will have supervision, guidance and autonomy in working in a very experimental and innovative context, developing interactive interfaces and exploring the connections between art and technology.
- This person will be supported directly by the coordinator of the department and will be working in a very dynamic and international environment, with the opportunity to develop projects with designers, managers, research staff and our strategic partners.

Qualifications:

- Knowledge of programming languages such as Processing, OpenFrameworks, vvvv, Python, Cinder, Java or similar. Preference shall be given to people with previous experience with Kinect, Arduino or Leap Motion.

Time and place:

- The internship will be held at the Belas Artes campus, located downtown Lisbon, starting in September/October 2013 and for a minimum of 5 months stay.
