

European Industrial Experience Mittelhessen (EIEM)

Want to gain first hand work experience in a German company?
Come to Mittelhessen – the strong industrial region just north of Frankfurt/Main

Starting
September 2014

Key facts:

- 1st September to 31st December
- Salary of € 550 per month (Sept.-Dec.)
- Intensive German Language Course in September (the company will take over part of the cost, a fee of € 430 remains with you)
- Work within a team on projects, while a university professor and a company supervisor support you
- Write a project report and present it to gain up to 14 ECTS (10 ECTS placement, 4 ECTS language course)
- Join the Buddy Programme to encourage intercultural exchange and to get support for your start in Germany
- Enjoy free public transport in the greater Rhine-Main region (RMV)

The partner companies of our dual study programme offer exchange students internships in Business Administration or Mechanical Engineering.
