Short description of	The Universidade de Vigo is a young public academic institution officially			
the institution	founded in 1990 which is organised in three Campuses, placed in three			
	different cities, Vigo, Pontevedra and Ourense- all of them in the South of			
	Galicia, Northwest of the Iberian Peninsula. It has around 21,000 students in			
	39 degrees, 74 postgraduates and 42 PhD programmes. Our institution leads a			
	Campus of International Excellence, awarded by the Spanish Ministry of			
	Education in 2010, a Campus of the Sea which gathers the teaching and			
	researching efforts of seven public universities in Galicia and North of			
	Portugal, as well as those of two national research organisms. As regards its			
	scientific production, the Universidade de Vigo has been ranked 15th on the			
	list of Spanish universities. On the last Shanghai Ranking it is on the top 500.
