5. CRITERIA TO SELECT AND ADMIT EU AND NON-EU CANDIDATES LEGALLY RESIDING IN ITALY

5.1 Admission and selection criteria

Eu and non-EU applicants legally residing in Italy (please also refer to comma 2 EDUCATIONAL OFFER) may enrol until places are available after being deemed eligible, by considering:

- b) The score obtained in a possible interview (according to the criteria mentioned in comma 5.4)

5.2. Submission of the evaluation request for the candidate's curriculum

All candidates must submit online an evaluation request of their curricula from **April 8 to June 20, 2019 by 12:00 pm**. It is necessary to:

a) go to the link <https://studentionline.unipv.it/AddressBook/ABStartProcessoregAction.do> and **REGISTER** ; with the obtained username and password then access the Reserved Area and click on **SEGRETERIA** and select **TEST DI AMMISSIONE**. **Students already registered will only have to log in with their credentials and register for the evaluation test.**

- For candidates enrolled/graduated in Italian Universities: self-certificate (*autocertificazione*) reporting the year of enrolment in year 1 of the bachelor degree, all taken exams with their related scientific sectors SSD, number of CFUs and grades. The degree mark is not decisive to obtain eligibility to enrol; the weighted average of grades will be taken into account (more details in the table below). It is recommended to use the self-certificate form available in the student's reserved area in the universityonline system.

For candidates enrolled/graduated in foreign Universities: certificate issued by the home university stating enrolment and award of the degree in a degree course taught entirely in English with reference to the enrolment in the first year of the bachelor degree, exam lists, credits and related grades.

How to pay university tuition fees

University tuition fees (such as the reimbursement of expenses to evaluate titles, enrolment fee, etc.) must be paid preferably by online payment (credit card or bank transfer) using the PagoPA system. It is however allowed to pay also by the usual MAV form (*Modulo di Avviso di Versamento*).

Students will have to access the section *Pagamenti* from the online Reserved Area, click on the amount to pay and choose the payment method (PagoPA or MAV).

In a few days, the University of Pavia will then be able to verify the payment.

Detailed instructions are available at the link : <http://www.unipv.eu/site/home/naviga-per/studenti/segreteria-studenti-e-ufficio-tasse/ufficio-tasse/articolo9080.html> .

Candidates residing abroad can only pay by credit card by using the PagoPA system. In case they do not have a credit card, other payment solutions shall be agreed with the Students' Administrative offices contacting matricole.ecosociogiuridiche@unipv.it.

The Commission will NOT consider documents submitted later than the set deadline (for ex. exams taken or registered in the academic career after the deadline or linguistic certificates obtained meanwhile...) The situation considered to calculate the score is the one attested by the documents attached in the evaluation request.
